WE HOLD OUR HEADS HIGH!

The school year started shortly after the closing of the 1984 Summer Olympics. It had been a summer of great pride for the entire nation. Americans had done well.

Like the Olympians at Los Angeles, the Gauchos at Casa Grande High School were proud of their many achievements and successes.

Not unlike the track stars or wrestlers who won medals for great individual effort, many Gauchos worked to attain personal goals. Much the same as the Olympic basketball and volleyball teams, Gauchos pulled together to prove their strength.

United Gauchos produced more energy than anyone ever thought possible. Our enthusiasm brought us together when we needed it the most. The commitments we made, and the goals we set for ourselves were full of high ideals and grand expectations. We were proud of our school because it was the place that made the impossible, possible.

Quoting our principal Mr. James McGloin, "It's the students that make Casa a great school."

So whatever barriers we had to conquer, we did it together. With pride we took victory as one, and Held Our Heads High.

FOR THE RECORD

Gaucho Confidence is Catching

The best part of our Gaucho Spirit was our individuality; No matter what we were doing at Casa; whether it was a pep rally, sharing special times with our friends, or just being our own unique selves, our enthusiasm was always there.

The Gauchos of '85 were known for their super confidence in their school, in their athletes and in themselves. More than students at any other school in the county, Gauchos tried to do everything possible to be successful. They attacked their schoolwork with a vengeance. They approached athletic events with the attitude that working to win was important. The Casa Grande Drama group, the School Band, the Speech Club and many other school organizations received accolades from many places for their achievements.

The Class of '85 set the standard for all those that would follow. Their confidence was one that would set the school on the right track for years to come. Because of the individual efforts of people like Student Body President *Paul Topolos*, Outstanding student *Kerri Azevedo*, dedicated *Alfred Lengjel*, '85 set examples that others classes would do well to follow.

Whether in a group or standing on his own, every Gaucho from Frosh to Senior could say: "WE HELD OUR HEADS HIGH!"

Spirit-Busters Never Had A Chance

(1)

(2)

The surprise movie hit of the summer of '84 turned out to be *Ghostbusters,* a story about a bunch of guys trying to break the spirits of apparitions in their local haunts.

Spiritbusters would have run onto hard times during the annual Fall Spirit Week. While geeks and ghosts ran rampant throughout the campus, they were having too good a time to be trapped by the Spiritbusters.

Some Gauchos were wild and crazy, while others stuck to more traditional costumes. And, whether they were haunting the Powder Puff Game or sliming out at the food booths, they Held Their Heads High!

Homecoming '84

"In my eyes," said *Kandy Millhouse*, "every nominee was a queen. I feel that it was an honor to be elected. I feel that 1985 is going to be the best year ever, and underclassmen should make their years at Casa Grande the very best because it goes by so fast.

Good Luck to the 1986 Seniors and have fun!!"

Kandy Millhouse, representing the Drama Club, gave a lot of class to the Homecoming festivities. And, not only did the Drama Club capture the Queen's Crown, but also they managed to win first prize in the float competition with their rendition of the *Wizard of Oz*.

The candidates paraded across town in cars donated by the Corvette Club of Sonoma County. *Paul Topolos* introduced each candidate and her escort. Despite the fact that the game resumed shortly before Kandy was crowned, all in attendance seemed to have a great time.

Homecoming Activities

It was Oct. 13, 1984, Homecoming Game of Casa Grande Senior High, many students came to Durst Field to witness this spectacular event, that would soon become part of Casa Grande's proud history.

The night started with the Green and Gold Gaucho's running onto the field with their heads held high, for they had great expectations of beating the Healdsburg Greyhounds. As halftime approached Casa felt victory at hand.

During halftime class and club floats under the theme of Fairytales, paraded around the field. Soon to follow were the fourteen Homecoming candidates and attendants riding in classy Corvettes. The crowd was pleased to hear that the Sophomore class float "Pinocchio" and Drama club "Wizard of OZ" won first prize in float competition.

The Homecoming game ended with the score of 35-21 Casa over Healdsburg which shall go down in Casa Grande's history as the third Homecoming game victory.

The Homecoming festivities came to an end with a dance at Casa Grande's gym, attended by many students and alumni.

HOLD 'EM HIGH CLASS OF '85

The powerful feeling of being a Senior is one that is shortlived. But, unlike many of the previous classes at Casa Grande, the Class of '85 made its presence known from the moment they arrived as Freshmen.

That ''rowdy'' class, as it was known, was true to its name. At rallies they consistently took spirit competitions over upperclassmen. They were proud and enthusiastic — not willing to take a backseat to anyone.

Of course, the hard work and many frustrations of high school took its toll. But, the friendships, accomplishments, and many triumphs made it all worthwhile.

No one who witnessed the successes of the Class of '85 will ever be able to forget them: *Tim Cheda* making his punishing tackles as a varsity linebacker; *Chris Westphal* scoring on goal for the varsity soccer team; *Kristi Webster* in her part in ''Arsenic and Old Lace''; *Alfie Hernandez* shooting in two from the corner; or *Jenni Ellenberger* taking her swings on the varsity softball team. These are things that will stay forever.

The Class of '85 is one that will never be forgotten because they set an example for all the classes to come. They had tremendous pride and they HELD THEIR HEADS HIGH!

Shortly before the Homecoming rally the Senior Class was asked to pose for a Senior Portrait. They were a tough crowd, but the staff eventually got some interesting shots.

Hi Erin,
I am glad I met you this year! We made it through our first year of high school huh? I hope that you liked it. I hope we have classes next year. I don't really know what to put because I'm old boring stuff. See ya in the summer or next year.

We have one ambition — to be the best

Clubs and activities have always been important to a school's spirit. Participation was not a problem with our Gouchos. Everyone was busy with something. Many were involved in the fall production of the Drama clubs "Arsenic and Lace," the Speech Club competed regularly at tournaments, and the many other clubs at Casa kept our Gauchos going.

Because of enthusiastic involvement in the many clubs and activities by the Casa Grande students, 1984 - 1985 turned out to be one of the Gauchos finest years.

ASB CONVENTION '85

By Deanna Luce

Dooher, Dardis Dominate

The annual 1984 ASB nominating convention was held in November; and, as always was a big success. Presiding over the convention was ASB Vice President *Alfred Lengjel,* conducting all of the activities. The delegates, in a much lower tone than in the past, showed the entire student body that *Andy Dooher* and *Ricardo Hess* were their choice for ASB President candidates. For Vice President *Rick Dardis* and *Jody McGrady* challenged each other for success. *Jon Bush* and *Julie Armstrong* competed for commissioner of activities.

The week after the convention, the Student Body elected *Andy Dooher* as the new ASB President, *Rick Dardis* to the Vice Presidency, and *Jon Bush* to commissioner of activities.

C. G. BAND

Take it to the Top

Casa's premier music organization, the Gaucho Band, has enjoyed another award-winning year representing our school and city throughout California and in Victoria, British Columbia. The Symphonic Band, Jazz Ensemble, and Marching Band (including the colorful "Gaucho-ettes") participated in numerous parades, competitions, football games, festivals and public relation events. The "Gauch-ettes" (Flag team and Drill team) hosted the first Nor-Cal Color Guard competition this year at Casa Grande. Supported by the Band parents organization (C.G. Music Association) and fundraising by the Band students, themselves, the Band has carried the Green and Gold school colors far and wide in performances before thousands of spectators. Next year the Band's goal is a performing and goodwill tour to Japan.

Standing Tall: Heads Above the Rest

"We Hold our Heads High" was a great theme for the athletes of Casa Grande. There were many moments of excitement for Casa fans and athletes alike. And, perhaps unfortunately, there were some dismal moments as well.

Through it all, however, Gauchos athletes played with great effort that pushed them the extra mile, that won them recognition within the Sonoma County League.

There were athletes like *Scott Olsen* who played football, basketball and baseball, distinguishing himself in all he did; like *Michelle Boroweic*, a standout on the newly-formed Girl's Soccer team; and, like *Michelle Enochs*, who not only distinguished herself on the tennis team, but *was* the tennis team.

These people and the hundreds of others who participated in Casa Grande Athletics could truly say, "We Held Our Heads High."

VARSITY FOOTBALL
CLOSE, BUT NO CIGAR!

Close, but no cigar is a good way to sum up the Gaucho Varsity Football Season. After defeating Marin Catholic 21-8, the Gauchos also beat cross-town rivals, Petaluma, in a squeeker 31-29.

Losses to Rancho Cotati, 21-9, Santa Rosa 7-6 and Cardinal Newman 42-13, left the Gauchos with a 2-3 preseason record.

However, Casa got back on the right track in its first league game by defeating Healdsburg 35-21, obtaining the third Homecoming victory in the school's history. The Gauchos fell to eventual League champions Sonoma 11-7 in the second game. They defeated El Molino 23-20, Analy 26-0, and Piner 10-0 to finish second in the Sonoma County League.

VARSITY FOOTBALL

By Kirsten Pieper

VARSITY GOES FOR THE GUSTO

Our mighty Gauchos all succeeded by team effort. However, there were a few who deserved more recognition. Such as, the two team captains, Senior Tim Cheda and Senior Casey Aiwohi. Also, Senior Mike Johnson proved to be a player of much talent. Especially from his three touch downs against Petaluma High (his previous school) which helped us defeat the Trojans. We are all proud of you!

JUNIOR VARSITY SHOWS PROGRESS

The Junior Varsity Football team faced some tough opposition during the '84 campaign. Though they often came up short on the scoreboard, they played with determination in every game. Coaches Lutz and Elsey did an outstanding job seeing to it that the players were progressing well enough to fill in on the Varsity during the next season.

Those members sure to inherit important roles on the '85 Varsity included: *Greg Rezentes* at safety, *Tony Amaral* at tackle, *DeJuan Miggins* at running back, *Mark Hale* at linebacker and *Eric Ayn* at quarterback. Others, too numerous to name, had great opportunities to fill in on the largely Senior Varsity.

FROSH BEGINS!

We were proud of our 1984 Freshman football players. For beginners, they displayed themselves highly well. Being beginners they showed their abilities proudly. When the players show themselves well, it is a sign of the future of the J.V. team next fall. Being coached by Johnny Walker and Ron Petroni, it proved to be a worthy one. We are looking forward to seeing their improvements in next fall's season.

VARSITY FOLLOWS TRADITION

The varsity soccer team of 1984-85 continued its tradition as Sonoma County League Champion giving Casa its eighth straight title. The team played a sound and solid brand of soccer winning 15 and tieing 4 out of 19 games in all. The team consisted of 20 players. The coach for the team was Coach Steve Conner who did a very good job in helping the team strive for the goal.

To The Top

The Casa Grande varsity soccer team did a great job during the 1984 season, managing to keep its undefeated record in league. The Gauchos were undefeated for three consecutive league seasons. They also came in second place in the Tournament of Champions Championship. The Gauchos have not lost a Sonoma County League Championship in the past eight years. Although soccer is a team sport, there are a couple of outstanding players, such as Andy Dooher and Kevin Stickler, who got most valuable and most improved player for the 1984-85 soccer season.

State Record For C.G.

Casa Grande's Soccer team was named "team of the year" for the 1983-84 school year. Their 60 game undefeated streak, 52 wins, 0 losses, and 8 ties was a state record which broke the former mark of 38 games set by San Gabriels 1970-73 teams.

Casa Grande also had the state record for the best all time record.

Since Steve Conners has coached the Gauchos first team, Casa Grande has made up an amazing record of 152 wins, 13 loses and 13 ties. This has been a truly great record.

FIRST TIME OUT!!

Varsity Soccer was added to the Girls' Athletic Program at Casa Grande High School for the first time in 1984. Twenty-four girls signed up for soccer and Jim Odgers was named coach.

The team competed in a combined Sonoma County/North Bay League schedule with seven other teams: Santa Rosa, Montgomery, Piner, Analy, Petaluma, El Molino, Rancho Cotate and Casa Grande. The season ended with a league tournament play off.

The girls' soccer program was helped financially with donations and the team working in the snack bar at school activities.

Faces Above Crowd

It's no fun being an Underclassmen. Seniors riducule you; they spit on you and they make you feel like a fool. As you should. (Just Kidding).

Even though there were sacrifices of self-esteem, Underclassmen show their strength and wisdom through their school-work and athletic abilities.

Along with being an Underclassmen came the new experiences of high school: new friendships, pep rallies, clubs, sports and many other exciting activities.

The lifestyle of the Underclassmen is sometimes thought as of boring, but growing up at Casa Grande High School was anything but that.

Faculty sets the Pace

The faculty and staff of Casa Grande helped give our Gauchos a sense of direction. They were involved in the development of the school's curriculum and activities, always putting their greatest efforts towards quality education here at Casa.

Throughout the year teachers went "above and beyond the call of duty" in extra activities. For example *Mr. Richards* and *Mrs. Bruce* were involved in Casa's Peer Counseling Program, helping students to cope with the pressures of high school. Also, *Mr. Richards* contributed to a program called "Toys for Tots" in which his woodshop classes made sixteen wooden trains for underprivileged children. Many other teachers reached out also in extra activities.

So, the faculty and staff made the students come together and "Hold Our Heads High".

Fashion Runs Rampant At C.G. High.

Fashion (fash'un)n . . . The current style or custom, as in dress or behavior; the mode for the present.

There were some significant changes at Casa Grande where fashion was concerned in 1985. Gauchos dressed, talked, walked, danced, and played in styles that covered a broad spectrum of interest and imagination. Blue jeans and high-top sneakers became the exception rather than the rule in 1985.

Chess & Games

The Science and the Chess & Games Club consist of many students who raise their own money and get no outside help from the school. These clubs meet everyday at lunch in Miss Tower's room. This gives the students a place to eat lunch, socialize, and play games. The Chess Club also gets very involved in daily tournaments.

S.I.P. - GETTING THINGS DONE

S.I.P. (The School Improvement Program) is a common sense process to solve local educational problems. It involves hard work and commitment to continuous improvement. Its goal is the continuing analysis and improvement of the entire school for every student. And in the secondary schools the students are also given a voice in the program.

Over the past three years S.I.P. has provided funds for a reading lab, a greenhouse for Agriculture students, equipment and machinery for Industrial Arts, Computers used by the Math, English, and Science departments, a revolutionary printing press which benefits all through communication, a video dish antenna and numerous video recorders and monitors so that students may tap the resources of education through video, and Guidance Department in order to improve student learning skills.

Student members on the Site Council are: (bottom row) Kerry Azevedo, Agna Guzman, Momo Rich, Kelly Lawler. (standing) Mr. Yagi - President, Jon Bush, and Mark Donnely. Not pictured are the many teachers, parents, and administrators who play a vital role in the success of the Site Council.

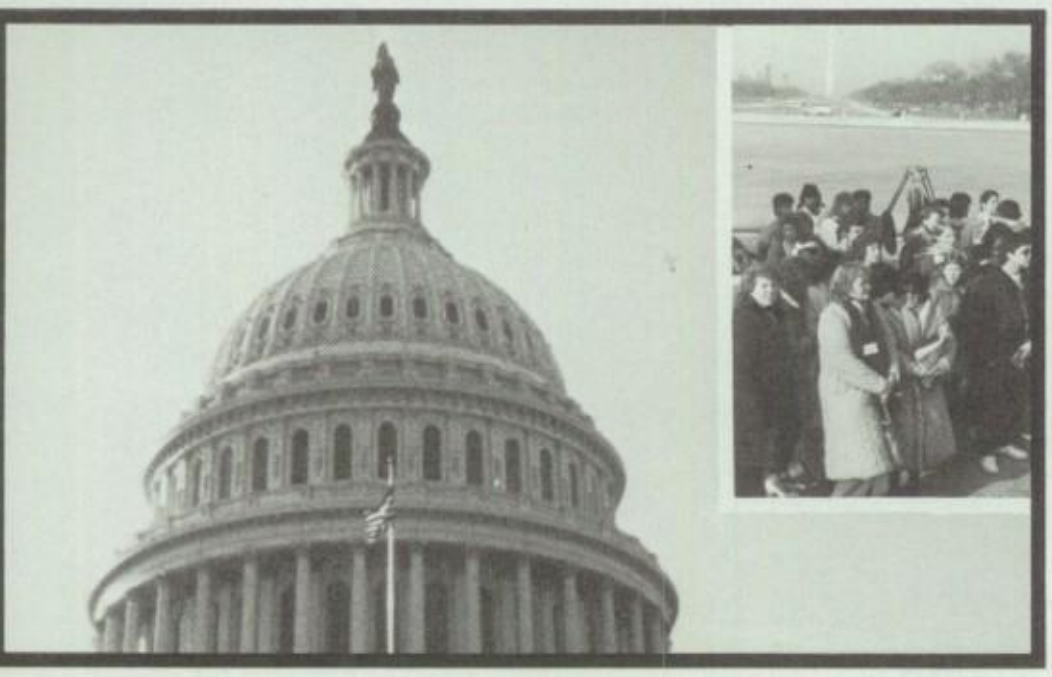
CLOSE UP

By: Deanna Luce



For the last fourteen years the Close Up Federation has brought over 140,000 students and teachers to Washington D.C., for the unique experience of studying government on location.

Seminars are designed to allow students to probe issues by questioning the speakers. Workshops allow students to review their experiences, analyze the presentations and techniques of the speakers, and explore various ideas and opinions.

84 GAUCHO ROUNDUP 85

CASA GRANDE

Arsenic & Old Lace

12th grader Sean Goodwin discovered 12 bodies in the cellar of Shannon Alexander and Kristi Labarre's house.

The girls admitted that Dan Lavine helped them dig the graves and carry the bodies down to the cellar.

Positive identification of one of the bodies was found to be that of Jeff Hernandez and the rest were not identified.

The coroner reports that the deaths were caused by ARSENIC poisoning.

The case is still being investigated by Chris Finmore, Paul Topalian, Adam Finmore, and James Welch.

Witnesses being questioned are the neighbors, Sandi Gordon, Tim Wright, and Chris Goodwin.

The suspects are Robin Hammond and Jon Bush.

Services are being held at Casa Grande's new multi-use room.

If this story is confusing in any way, you and our ARSENIC AND OLD LACE, a murderous comedy! November, 29 and 30 and December, 1,7, and 8.

Admission is $3.00 per person. Curtain is at 7 p.m.

Logsdon's Log

"You, Bill (spinner, have just earned yourself a detention." As these words fell from the teachers mouth, you could almost see the contorted, twisted smile take shape, as if horns were to pop out of it at any moment.

Bill sat back and thought to himself, "So what's one lousy detention?" little does he know, he has just fallen into "The Detention Zone". A dimension in which time ceases to exist, no control the seconds, we control the minutes....."

It's 2:50 p.m. now as Bill wrestle out of class. But the thought of that detention still hovers over his like a vampire over its prey. He makes his way now to the cafeteria where students have been known to disappear for days on end.

Spinner slowly, almost apprehensively approaches the doorway. A long hairy arm with blackened, soiled fingernails suddenly reaches out and pulls the inside. A tall man grabs Bill's attention out of his hand, looks at his attorney, smiles and then yells, "Sit down kids."

Bill was then brutally escorted to a comfortable hard, plastic chair for a short thirty minutes.

A brief speech was given on the rules of the detention hall, covering subjects such as no moving, no talking, no reading, and for troublesome students no breathing.

The bell rings and detention has begun. Sweat rolls down the side of Bill's face as the clock ticks on, but he doesn't dare move.

A sudden scream startles Spinner, followed by, "no! I wasn't really sleeping. I just shut my eyes for a second." Bill then turns to see a young girl being dragged off to the school kitchen. Rumor has it that she had to eat the leftovers from lunch. Poor girl, and she was only a sophomore.

After what seemed an endless amount of time, the bell rang, to mark the ending of the "REIGN OF TERROR."

Now all that is left is getting out alive with a pleasant detention, Bill thought to himself.

As Bills name was turned out for his seal of approval his knees began to whale like jello. Bill made his way to the door where the gauntlet stood consisting of one large, neanderthal type, looking man, as though he had been awaken from the dead, years ago. Bill looked nauseous as he took his slip. It had been stepped across the front "canvas" in blood with something dripping off the side that resembled soggy, soaked potatoes. As Bill then made for the door, he heard "Come back again soon, want you?"

Right there was enough for Bill to decide a wild jog home, at full sprint would be convenient. I don't think the fact of his living three and half miles away bothered him.

Now who says assertive discipline doesn't do any good?

Letters To The Editor

Listen Editor, football fields. We have plenty of space out there, the school could make three very good football fields, with all the space the school has, and all we really need is one. Who has heard of a high School, a good high School without a football field? Get on the ball!

Anonymous Student

Dear Discontent Student,

You should have signed your letter "Ignorant and Blind". For someone so concerned about Casa's looks, you should run for president. The reason for you not hearing anything is because you have not bothered reading the newspaper.

WE HOLD OUR HEADS

Hope for the future
Don't dwell in the past
Live in the present
And make today last.
Pray for tomorrow.
Don't let your dreams die.
Hope for the future
And Hold your Heads
High.
